As the journey continues Sean teaches his brother to command his newly discovered powers.. As Daniel gradually falls ill, Sean decides they must make their way to their grandparent's house to recover.. In California they earn money working at a marijuana farm for a cultivator named Merrill.. The gameplay of Life is strange 2 is based on a graphic escapade played from a third person view where the player takes control of a 16 year old teenager named Sean who can connect with the environment, interact with other non player characters, obtain objects, make decisions at different points which also affects Daniel's behavior.

Getting caught and held at gun point Daniel loses control over his powers and ends up destroying Merrill's house and by the subsequent morning Daniel has vanished with Merrill's money leaving behind Sean instinctive and half blinded.. Sean upon finding a note goes in search of Daniel to, Nevada where he finds his mother Karen.. The story continues two months later after Sean gains conscious in a hospital at California he was kept for interrogation as they were still for Daniel.. Sean and Karen now make plots to rescue Daniel having to go through a lot of difficulties the brothers finally reunite and make their way to the Mexican border along with Karen.. The game is to be published on the 3rd of December 2019 and is available on PC, Xbox One and Playstation 4 as a single player game.
